FROM THE DIRECTOR'S DESK

We hope you will enjoy this performance of "The Solid Gold Cadillac", the sixth show of the current season and Theatre Three's fifty-second major production.

The company responsible for tonight's production is composed of both new and familiar faces to Theatre Three audiences merging into one effort to bring you a good play produced as professionally as possible.

It is indeed our good fortune to have BERTHA HOLMES portraying the role of Mrs. Partridge. Certainly no newcomer to the stage, Miss Holmes was last seen on our arena stage in her memorable and highly acclaimed performance as Grandmaw in "The American Dream". One of the newcomers to our stage is JOHN WILMOT who is seen in the role of Ed McKeever. We are indeed happy to have added this talent to our growing company.

Many of our regular company members are featured in this production. BOB COWAN and JOE OLIVER were both seen in the opening show of our current season, "Write Me A Murder". FRANK DEASON was last seen in "The Time Of Your Life". It is always a pleasure to present those who are such devoted and stalwart workers both on stage and off - JAC ALDER, JACK GUTHRIE, ELEANOR BERMAN, PATTY GREER and JUDY MORRIS.

Once again it is our good fortune to have discovered some new faces and talent - PEGGY PATE and JAKE JONES. We look forward to a long association with them both.

All of us who have worked on the production have done so for you. We hope you enjoy yourself. If you do, you can do something for us by telling your friends!
