THREE for the PRIZE!  
an evening of award-winning one-acts

As a pun-loving program writer might put it: Tonight you are seeing THREE FOR THE PRIZE of one. This theatre bargain is the result of a play contest co-sponsored by Theatre Three and The Dallas Times Herald. Over 400 authors sent scripts to be judged by Norma Young, Virgil Miers, William Inge and Lawrence and Lee. Two Californians, Patricia Madsen and Dennis Dunn have their plays in the winners' circle, and one former Texan R. G. Vliet (who now lives in Pennsylvania). Mr. Vliet ~~was~~ able to come to Dallas for the premiere of TO GETTYSBURG.
