For the theatre's 50th Anniversary (2011) Theatre Three's main stage has been named the NORMA YOUNG ARENA STAGE in honor of the theatre's founding artistic director. Ms. Young, a Dallas native, served the theatre as director, leading actress and administrator from the theatre's founding in 1961 until her death in 1998.

Theatre Three thrives on her legacy of artistic and intellectual vigor, her wisdom and her continuous quest for the perfect synthesis of authors, actors and audiences.

This playbill is a publication of Theatre Three, Inc., 2800 Routh Street, Suite 168, Dallas, Texas 75201, 214-871-3300, [www.theatredallas.com](http://www.theatredallas.com) in support of *Other Desert Cities* (the third show of Theatre Three's 2013 - 2014 Season on the Norma Young Arena Stage).

Both Theatre Three and Theatre Too have Hearing Assistants devices which may be checked out (without charge) from the box office. These discrete devices enhance the performance experience for audience members with any degree of hearing limitation. The box office personnel can provide you with the devices either before the show or at intermission. Theatre Three's staff and board are most grateful to donors Carolyn Wickwire and Dennis West, who provided the grant that allows us to offer this enhancement to our patrons.

## THE ANNUAL FUND

Dear Playgoer,

Here's some bad news:

Let's face it: the recession of 2008 wiped out many cultural programs in most cities in America; cultural programs that have not been replaced. The City of Dallas budget for cultural programming remains (at this writing) at the height-of-recession levels. Ouch.

But here's really great news:

For Theatre Three, the best news is that the support of individuals (and not just the super wealthy, either!) is ever-increasing. Donations from board members, subscribers, and other friends of the theatre (even performers) enabled us to conclude an artistically successful season without a deficit – even in a year that saw Theatre Three making significant improvements to aspects of the facility and its equipment.

And better news:

We're confident we can, with your help, make our Annual Fund Drive the biggest success ever. Individual donors, people like you, are the dependable, major support that has kept us going and growing since 1961!

The campaign officially began September 1st and goes through Thanksgiving. Mail a check. Or phone the box office: we all know how to take a contribution and we all know how to say a big warm THANK YOU!

Sincerely,

JAC ALDER

Jac Alder

**TWU Executive MBA Team  
Winner of the 2013 National  
MBA Business Plan Competition**

# EXPLORE

Reducing the cost but not the quality of health care is a constant challenge.

Dr. Jay Mabrey, chief of the Department of Orthopedic Surgery at Baylor University Medical Center, knows this only too well. Finding better ways to strike a balance between business and health care led Dr. Mabrey to enroll in the TWU Executive MBA program. He and fellow students Mara Ferguson, left, Amanda Orteiz, Brandie Owen and Mary Tiernan developed a business plan for efficient, safe and cost effective total joint replacement. Their project won the Small Business Institute's 2013 National MBA Business Plan competition, proving that business and medicine can work together for everyone's benefit.
